**5 POINT
CHURCH
ANNUAL
REPORT**

2025

A Message from Pastor Dean

Hello 5 Point!

2025 was such an exceptional year for our church, community, and made Heaven more crowded! As we celebrated our 21st year of existence, we saw huge growth in many areas of our church, especially in our Young Adults. With the addition of this ministry, it has brought new opportunities for college students and 20-somethings to get involved in so many aspects of the church, but also worship as a group together. 2025 also brought some old things back, and for us to start some brand new traditions. The Egg Drop and Reach Week made 2025 absolutely incredible. On a rainy Sunday afternoon, 5 Point and the City of Easley hosted thousands of children and their families for a gigantic Egg drop. It was amazing to see so many smiling faces across the fields. Reach Week allowed us to not only help a lot of ministries in our area, but also to help out other churches as well. We helped with renovations at churches, and sponsored some outreach efforts for other churches. We are all on the same team, and we want to see every church full and ready to expand!

As for expanding, at the end of 2025 it was announced that 5 Point will begin to plant a second campus somewhere in the Upstate. This is two fold, we have people driving from all over to attend 5 Point, but we also truly believe in the Biblical teaching that takes place within the walls of the church and we want to provide other communities the opportunity to hear the word being preached in a church family that is closer to where they live. Be on the lookout in 2026 for upcoming meetings that will create the plant team for our second campus!

To finish, we saw so much life change, we worshipped together 5,000 strong at Easter at the Easley High School Stadium, and on an almost weekly basis we witnessed people giving their lives to Christ. 5 Point, may we never take this for granted and remember that 5 Point will only go as far as we pursue Christ. So let's pursue the Lord with passion and obedience as we strive to make Heaven more Crowded!

Pastor Dean Herman

Celebrating Life Change!

109
Salvations

We rejoice in every salvation because it represents a heart transformed and a desire to have a radical love relationship with Jesus. Each decision for Christ is the beginning of a brand-new story filled with hope, purpose, and the life-changing power of God's grace.

174
Baptisms

We love celebrating baptisms because they are powerful moments that publicly declare a life changed by Jesus. Each baptism marks the beginning of a new chapter, reminding us all of God's transforming grace and the hope that reshapes a person's life forever.
